The Hon. Members of the Bharathiya Janatha Party withdrew from the House.

SRI B. B. SYANAK.—Sir, yesterday you have suspended 27 Members of the Opposition ; this is a historical event in the Karnataka Legislative Assembly. As this is a Budget Session, the Chair should given a chance to Opposition Members to speak. But, you have suspended the Opposition, to have a one party rule in the State. This is not correct, If this is the attitude of the Chair, we the Maharastra Ekikarana Samithi Members, protest and stage a walk out.

The Members belonging to Maharastra Ekikarana Samithi withdrew from the House.
